MANIPULATION	:	

The petition to revive under 37 CFR 1.137(b) filed 23 October 2001 in the above-captioned application is hereby **GRANTED** as follows:

Applicant's statement that "both the failure to enter the U.S. national phase and the brief delay in filing a petition to revive the application were unintentional" has been construed as meaning that "entire delay in filing the required reply from the due date for the reply until the filing of this petition under 37 CFR 1.137(b) was unintentional." If this is an incorrect interpretation in view of the rules, Petitioner must immediately notify the PCT Legal Office of such error.

A review of the application file reveals that applicant has submitted the basic national fee of \$520 and the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America.

This application is being forwarded to the United States Designated/Elected Office (US/DO/EO) for continued processing including the issuance of a Notification of Missing Requirements (Form PCT/DO/EO/905) indicating that an oath or declaration is required.
